Mr. Darren Parker, Principal

Ms. Marilyn Lawrence, Asst. Principal

Greetings Parents, Guardians, and Students,

As the administrative Team of Conway Middle School, we would like to welcome you again to the 2021-2022 school year. We are working to change our brand from the inside out by changing the mindsets of our scholars, parents, guardians, and community. We are providing a positive environment focusing on creating a Team atmosphere. Our CMS Team is focusing on raising the bar for success through high academic standards. We are pushing our students to be successful scholars every day.

Not only do we want our students to be successful scholars, we also want to make sure they are healthy and remain healthy. With that being said, as of today, we are happy to inform you that we do not have any known cases of COVID in our CMS building. We are following the current CDC (Center for Disease Control) and the NCDHHS (North Carolina Department of Health and Human Services) guidelines. Protocols include proper wearing of masks (over nose and mouth), frequent washing of hands (hand sanitizer dispensers throughout the building) and social distancing (3 feet) to the extent possible. Teachers and staff frequently reiterate and reinforce expectations throughout the day.

We do ask parents and guardians to assist us in our efforts to keep all students and staff safe. If your child is sick or exhibiting symptoms of any illness, please have him/her stay home. Having your child to stay home when sick is essential in keeping infections out of the school and preventing the spread to others. Also, if your child has been tested for COVID, please keep him/her home until a negative result has been received.

We are in the process of creating a dashboard to keep parents, guardians, students, staff and the Northampton County community aware of our statistics as we all live through this pandemic. We must be committed to working together to keep our students and staff safe daily!

Thank you in advance for all your help and support in keeping our CMS Family healthy and safe!
