Astronaut - Morehead Planetarium-Chapel Hill

What does it take to be part of this incredible journey? How does the human body respond to the environment of space? What does it take to become an astronaut? Actor Ewan McGregor narrates this exciting full dome digital presentation.

K-5 Students and Parents

Space School Musical <http://solarsystem.nasa.gov/kids/#>

Students watch Hannah as she goes on a trip through the Solar System and uses song and dance to introduce the sun, moon, asteroids, and more.
